

# Repeat Performance Intro

Our speaker today is no stranger. In fact, it will be difficult to get rid of Adolph now! "The World's Greatest Edu-tainer" is back by popular demand. He is still helping individuals, schools, and corporations with the major problems we all face as well as providing solutions for long term results. **As The World's Greatest Edu-tainer**, Adolph enjoys a shared commitment of helping others learn more and laugh louder. Widely considered the most engaging presenter in our nation, Adolph takes no prisoners...as then he says he would have to feed them!

This Master Teacher has received international recognition, awards, honors, and distinction in the areas of educational excellence and real-world leadership. and is noted for such books as ***REAL TALK***, ***Championship Habits***, ***Messages From Granddad***, and a children's book titled ***It's Gonna Be A Great Day!***. He consistently delivers high-quality instruction identifiable by objective audience observers, and makes a significant impact on participant learning gains. His greatest goals are for you to Learn More & Laugh Louder!" However, instead of reciting his long, yet impressive resume, I will provide quotes from what others have said about our speaker:

***"I received information I never knew existed."***

***"Wow! A perfect score. This never happens with our tough evaluators."***

**"Adolph is very bright and professional. We definitely got what we wanted through his services."**

**"Everyone in the world should hear his message!"**

And perhaps the most telling endorsement of Adolph is and I quote:

**"We were impressed by how much he cared and worked hard at making a positive difference."**

Thanks to his hard work, his faith and attitude, and a caring village like you, Adolph has overcome an upbringing of extreme poverty and violence, welfare, fatherlessness, and a single-mother led household while living in the projects with a name like "Adolph" to be with you today.

Through his books, posters, DVD's & CD's (**AVAILABLE FOLLOWING HIS PRESENTATION**) audiences and individuals continue to love his powerful message delivered in a singular, unorthodox yet down-to-earth style.

Thank you for being here. Your presence is greatly appreciated.

Ladies and Gentlemen, he was invited in as a friend, and now he is back as family. Join me in welcoming  
- The U.S. Secretary of Inspiration, Dr. Adolph Brown, III.
